Suman Jee

Senior Manager at Clearwater Analytics
Gurgaon, Haryana, India

Summary

Hello! I am Suman Jee, a result-oriented professional with over 13 years of extensive experience in
Fund Accounting, NAV Calculation, Reconciliation and Syndicayed Loans. My career has been dedicated to ensuring
accuracy and efficiency in financial reporting and reconciliation processes. I have a proven track
record of collaborating with cross-functional teams to enhance automation and streamline
operations, all while maintaining a strong focus on client success. My leadership style emphasizes
coaching and mentoring, which has allowed me to build high-performing teams that consistently
meet and exceed expectations.
Throughout my career, I have successfully managed financial products across various industries,
including Bank Loans, CLOs, Equities, Bonds, and Derivatives. I take pride in my ability to analyze
complex financial data and implement strategic solutions that drive business growth. My key
achievements include improving reconciliation processes through automation, enhancing report

delivery timeliness, and ensuring the accuracy of financial reports. I am passionate about leveraging
my skills in risk assessment, strategic planning, and team management to contribute to an
organization of repute.

Key Achievements:
- Led a team of 26 at Clearwater Analytics, managing daily reconciliation for approximately 7500
portfolios.
- Improved reconciliation processes by increasing automation and enhancing report accuracy and

timeliness.
- Successfully mentored and onboarded new team members, fostering a culture of continuous
improvement and knowledge sharing.

Experience

Clearwater Analytics
Senior Manager
January 2022 - July 2025 (3 years 7 months)
Noida, Uttar Pradesh, India

In my current role as Team Leader at Clearwater Analytics, I oversee a team of 22
analysts, ensuring the timely and accurate delivery of daily reconciliation and validation of client
assets. I lead efforts to reconcile data from various sources, including custodians and brokers while
managing a high volume of portfolios. My responsibilities also include team allocation, leave
planning, and performance appraisals, as well as mentoring team members to enhance their skills
and efficiency. I collaborate with cross-functional teams to identify and implement automation
solutions that improve operational efficiency.

Achievements: I have successfully managed the reconciliation of around 7500 portfolios, ensuring
that all suspense and unclear items are resolved promptly. My leadership has led to significant
improvements in the reconciliation process, including enhanced report delivery timelines and
increased accuracy. I have also played a key role in onboarding new team members and fostering a
culture of continuous improvement within the team.

NAV Back Office
Senior Manager
August 2021 - January 2022 (6 months)
Jaipur, Rajasthan, India

As a Senior Manager at NAV Back Office, I was responsible for resolving discrepancies in
trade, cash, and position reconciliations. I provided daily reconciliation and compliance monitoring,
ensuring accounting consistency and performance analysis. My role involved leading a team,
mentoring new joiners, and facilitating knowledge sharing to enhance service operations. I also
calculated and reported NAV, liaising with custodians to address any discrepancies.
Achievements: I successfully led the team in achieving high standards of accuracy in daily
reconciliations and compliance checks. My contributions to process improvements and team
mentoring resulted in enhanced operational efficiency and service delivery.

SS&C GlobeOp

7 years 1 month

Manager

October 2019 - August 2021 (1 year 11 months)
Gurgaon, India

In my role at SS&C GlobeOp, I was responsible for delegating tasks to ensure effective
workplace operations. I focused on management processes, including goal setting, feedback, and
career planning for team members. I prepared quality reports, tracked productivity metrics, and
conducted internal audits to ensure compliance with operational standards.
Achievements: My leadership in tracking productivity and quality metrics led to significant
improvements in operational efficiency. I successfully implemented corrective actions for audit non-
compliances, ensuring that all issues were resolved within stipulated timelines.
